Dear Chair Moran and Ranking Member Van Hollen:

As the Senate Appropriations Committee begins its consideration of the Fiscal Year 2026 Commerce, Justice, Science, and Related Agencies appropriations bill, I would like to highlight the attached funding priorities. I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested funding is a for-profit entity.

Thank you for your time and consideration. Should you have any questions regarding the attached, please contact Rusk Henry on my staff.

Sincerely,
